Avondale School welcomes all members of the Christian community. Sometimes financial assistance is needed for families in crisis or in need, when misfortune strikes; it could be due to ill health, unemployment, death, marriage breakdown. The purpose of the Student Assistance Education Fund is to keep students caught in such misfortune in the secure environment of the School. The requests seem to increase every year as more families struggle with some sort of adversity.

In the past, during a typical school year, Avondale School has tried to find funds to support:
- 3 families recovering from bereavement
- 6 families struggling with lost employment and
- 2 families of 5-8 children with marriage breakdowns and finance issues

For the school to be able to provide help for these families, we rely on the goodwill and generosity of our present and past school families, local businesses, and benevolent people.

If you would like to support this initiative by making a secure online donation at www.avondaleschool.nsw.edu.au or by using the donation slip below, your generosity will be rewarded with the tears and happy smiles of children given a helping hand.

On behalf of Avondale School Friends Committee and Student Assistance Education Fund, we thank you for supporting our students.
